The instant application has been examined. Claims 1-20 are allowed.

16

The following is an examiner's statement of reasons for allowance: The claimed invention is deemed unobvious over the cited art of record because such art does not teach or reasonably suggest the overall aspects of a cored composite comprising an array of unidirectional fiber-columns that extend through the core between at least perpendicular core surfaces section in combination with a core material, with the at least perpendicular core surface sections, that holds the columns and that allows the columns to bond thereto and to become capable of transferring forces between fiber-reinforced polymer skins placed on the core surface sections when a cored composite structure is produced.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
